

What is Unconditional Love?

Unconditional Love is ...

- ◆ *Life's most powerful healer.*
- ◆ *Adoring self first, without judgments or conditions* – and then adoring others.
- ◆ *What we are all students of* – and what we are all each other's teachers about.
- ◆ *The process of life* – Joy is the outcome.
- ◆ *Being passionate about Joy* – which is the purpose of our life, in the physical and the non-physical.
- ◆ *A deliberate and dominant zone of Joy* – such as in gratitude or appreciation.
- ◆ *Joy* – without cause.
- ◆ *Deliberate Attraction* – to be consciously aware of, “that which is like unto itself is drawn.”
- ◆ *Deliberate Creation* – to bring the vibration of one's belief into harmony with one's desire.
- ◆ *Deliberate Allowing* – to be consciously aware of the way you feel, so that you choose the direction of your thoughts.
- ◆ *Enlightenment* – which is the Art of Allowing, or releasing of resistance, or a *natural* return to one's *natural* Being.
- ◆ *Balance* – of the mental-body, physical-body, spirit-body and emotion-body within the vibrational Being that we are.
- ◆ *Being* – not doing.
- ◆ *Feelings* – not words.
- ◆ *Sharing* – from one who temporarily has more, with one who temporarily has less.
- ◆ *Letting go of fear* – in all of its many forms.
- ◆ *Serenity* – even with the subtle feeling of the unknown.
- ◆ *Presence* – and openly welcoming the unknown.
- ◆ *Freedom* – which is the basis of life.
- ◆ *Growth* – which is the result of life.
- ◆ *Life* – full on.
- ◆ *Lifting the veil of separation of self from Self* – or the you/You living as One.
